The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

Certificate of Employee Information Report; or

Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division's website at [http://www.state.nj.us/treasury/contract\\_compliance](http://www.state.nj.us/treasury/contract_compliance)).

**AMERICANS WITH DISABILITIES ACT OF  
1990  
Equal Opportunity for Individuals with  
Disability**

The contractor and the City of Vineland, (hereafter "City") do hereby agree that the provisions of Title 11 of the Americans with Disabilities Act of 1990 (the "Act") (42 U.S.C. SJ 21 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the City pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the City in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the City, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the City's grievance procedure, the contractor agrees to abide by any decision of the City which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the City, or if the City incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The City shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, if any action or administrative proceeding is brought against the City or any of its agents, servants, and employees, the City shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the City or its representatives.

It is expressly agreed and understood that any approval by the City of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the City pursuant to this paragraph.

It is further agreed and understood that the City assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the City from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

**NEW JERSEY ANTI-DISCRIMINATION PROVISIONS**  
**NJ.S.A.10:2-1 ET SEQ.**

Pursuant to NJ.S.A. 10:2-1, if awarded a contract, the contractor agrees that:

- A. In the hiring of persons for the performance of work under this contract or any subcontract hereunder, or for the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under this contract, no contractor, nor any person acting on behalf of such contractor or subcontractor, shall, by reason of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex, discriminate against any person who is qualified and available to perform the work to which the employment relates;
- B. No contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee engaged in the performance of work under this contract or any subcontract hereunder, or engaged in the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under such contract, on account of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex;
- C. There may be deducted from the amount payable to the contractor by the contracting public agency, under this contract, a penalty of \$50.00 for each person for each calendar day during which such person is discriminated against or intimidated in violation of the provisions of the contract; and
- D. This contract may be canceled or terminated by the contracting public agency, and all money due or to become due hereunder may be forfeited, for any violation of this section of the contract occurring after notice to the contractor from the contracting public agency of any prior violation of this section of the contract.

## **Water Utility Specifications for Chlorine Gas & 3” Chlorine Tablets for Water Treatment**

### **General**

These specifications cover liquefied chlorine gas and 3 inch chlorine tablets for the use in the treatment of Municipal water supplies in the City of Vineland.

The chlorine gas liquefied under pressure shall be supplied in one hundred and fifty (150) pound cylinders and the 3 inch chlorine tablets in 60-lb. plastic pails.

Bid prices shall remain in effect for a period of twelve months from the bid date with an option for a second year. Estimated quantities to be ordered by the Water Utility shall be as on an “as needed” basis. Whenever quantities are provided, these quantities are estimates only. No guarantee or warranty is given or implied by the Utility as to the total amount that may or may not be purchased from the contract.

Material Safety Data Sheets (MSDS), bidders shall submit MSDS sheets with their bid packages.

### Typical Chemical Composition

(Chlorine) Liquefied Gas CAS 7782-50-5.....	99.5 - 100%
Calcium Hypochlorite Tablets	
Calcium Hypochlorite CAS 7778-54-3.....	65 - 76%
Sodium Chloride CAS 7647-14-5.....	10 – 30%
Calcium Carbonate CAS 471-34-1.....	1 – 3%
Calcium Dihydroxide CAS 1305-62-0.....	1 – 3%
Calcium Chlorate CAS 10137-74-3.....	0 – 3%

Material shall be commercial grade confirming to AWWA specifications, **ANSI/AWWA B301-04** covering liquid chlorine and **ANSI/AWWA B300-04** covering hypochlorites. The material shall also be certified as suitable for contact with or treatment of drinking water in accordance with **NSF/ANSI Standard 60**, Drinking Water treatment Chemicals.

The liquid chlorine supplied according to this standard shall be 99.5 percent pure by volume under sec. 4.2 in AWWA standard ANSI/AWWA B301-04.

## **Chlorine Liquefied Gas**

One hundred and fifty (150) pound cylinders shall be marked **“Chlorine”** in such a manner that it will be easily visible. Each container shall have at least one (1) lead washer of appropriate size wired to each valve on the cylinder.

The cylinder valves shall be standard chlorine valves and meet all the latest AWWA and safety standards. If any on site cylinder is found to have a defective valve that cannot be repaired on site, the cylinder(s) is to be picked up and replaced without cost to the City within (12) hours of verbal notification by the Water Utility.

Return of Empties; empty cylinders are stored at one centralized location at the Utility (Chlorine Shed) off the Catherine Street rear gate entrance. It is up to the vendor to pick up their empty cylinders when delivering the full cylinders or they can make arrangements by calling the Utility. Normally the vendor will drop off (16) full cylinders in a metal rack and pick up the empties in the same type of metal rack, saving time for the driver to just swap out racks and not having to hand deliver cylinders one at a time. The cylinders are always stored at ground level; a truck with a motorized lift gate would be the most suitable for the loading and unloading of the full/empty cylinders. The pick-up of empty cylinders shall be of no added cost to the Utility.

Each container shall be marked to clearly indicate the contents and shall bear the current precautionary information required by the (DOT), (USEPA), and other regulatory agencies concerned with the hazardous nature of chlorine. Liquid chlorine is classified by DOT as a nonflammable compressed gas. Under Sec. 6.1 Marking – AWWA B301-04

## **Chlorine 3” Tablets**

For over twenty years the Water Utility has been using the Accu-Tab tablet chlorination system at several Pump Station Treatment Facilities:

- Pump Station No. 2 & 3 at 311 N. West Ave. (upgraded to tablets 2016)
- Pump Station No. 4 at 912 Michigan Ave.
- Pump Station No. 8 at 1633 Magnolia Rd.
- Pump Station No. 12 at 2180 Helen Ave. (upgraded to tablets 2014)
- Pump Station No. 14 at 2390 Weymouth Rd.

For this reason the Utility will only consider the “Accu-Tab SI (scale inhibitor) NSF-60 approved 3” tablets made by PPG Industries/Axiall Chemical for this bid.

As stated in the PPG Industries disclaimer “*Accu-Tab calcium hypochlorite tablets from PPG are designed specially and only for use in Accu-Tab chlorinators. The use of any calcium hypochlorite tablet with any other chemicals can result in serious safety hazards. Failure to comply could cause malfunction and will void the PPG warranty as well as NSF certification*”. Reference Water Treatment Products at Pittsburgh PA, [www.accu-tab.com](http://www.accu-tab.com)

The Accu-Tab 3 inch calcium hypochlorite tablets are able to erode reliably, consistently and predictably, so they will not soften and clog the chlorination system. Tablets shall be shipped in 55 lb. pails at a maximum of 24 pails per pallet for easy storage at the Utility.

Hypochlorites are oxidizing materials generally used by water utilities as a disinfectant. For calcium hypochlorite tablets, each label shall show either weight of each tablet or the number of tablets per unit weight. Under Sec. 6.1 Marking - AWWA Standard B300-04

### **Site Location**

All deliveries shall be at the same location as follows:  
330 E. Walnut Rd. Vineland NJ – Truck deliveries shall drive around the block and enter using the Catherine St. rear gate entrance.

The chlorine gas cylinders and the palletized pails are stored in the chlorine shed, (The shed outside facing the garage bay doors). All chemicals are distributed to pump station facilities by Utility personal as needed. There is a forklift on premise if needed for unloading – everything is stored at ground level. There is never a need for delivery truck to back up to the loading dock.

Delivery hours are between 7:30 am to 4 pm daily Monday thru Friday. The Utility is closed for thirteen scheduled Holidays and no weekend deliveries are acceptable – if a problem arises the main office Utility number is 856-794-4056. Contact personal regarding deliveries or orders:
