(*) Only provided a bid for Equipment Only.

(**) Provided a “brand only” and an “Alternate Brand” Price.

Comments: All bidders had all the mandatory documents.

Recommendation: The user department has verified by email that the Daikin Brand Alternate is equal to and compatible with the Fujitsu brand. It was also noted that the Daikin provides an additional service that Fujitsu does not. With that said, it is my recommendation that the award should be to AVR Mechanical in the amount not to exceed \$994,225.00 as they submitted the lowest responsive and responsible bid.
